

**Water Resources Coordinating Council**  
**TIMELINE**  
**HF756 Recommendations Due 11/15/09**

*HF 756 requires the Water Resources Coordinating Council (WRCC) to “develop recommendations for policies and funding promoting a watershed management approach to reduce the adverse impact of future flooding on this state’s residents, businesses, communities, and soil and water quality” and to submit these recommendations to the Governor and General Assembly by 11/15/09. The following timeline will be used by the four WRCC work groups in making recommendations to ensure that the requirements of the legislation are met and to aid in determining best implementation of recommendations.*

6/12/09	Full WRCC adopts subcommittee process and names 12 agencies to the Flood Plain Management Subcommittee
7/13/09	Subcommittee meets, identifies four Work Groups, identifies resources, agrees to post resource and meeting information at <a href="http://www.rio.iowa.gov/wrcc/index.html">http://www.rio.iowa.gov/wrcc/index.html</a> .
7/14-9/10/09	Work Groups form, meet to identify preliminary recommendations, supported by staff from the Rebuild Iowa Office who will draft the recommendations from each group. Public input invited at each session.
9/11/09	Subcommittee meets at 10 AM to prepare preliminary recommendations for review by the full WRCC at 1 PM
9/15-9/30/09	Public input sessions held in six areas throughout Iowa
Oct. 09	Work Groups finalize recommendations
Early Nov. 09	Full WRCC meets to approve or change final recommendations
11/15/09	Final recommendations to Governor Culver and Iowa General Assembly
